WHO WE ARE...

MJYC was formed in 2007 primarily to create an setting that fosters a lifelong love and interest of sailing through a fun, safe, and instructional environment. The MJYC has big plans and is currently working to secure additional boats, dock space and to assist in renovating the small lakeside building in Marquette's Lower Harbor which the school uses.

MJYC Sailing School is a fantastic sailing program. To facilitate our goal, classes were offered initially for children from the ages of 8 to 18. The school has grown each year from 3 used small boats and 32 students in 2007 to 10 boats and having close to 100 young students in 2009. In 2009 MJYC expanded its course offerings to include both group and individual lessons for adults.
